

PLEASE, don't make any changes that would affect my ability to receive K-LOVE radio, including allowing the LPFM to displace the FM translator. This radio station, serves a real need in my community. There are plenty of mainstream stations, but K-LOVE is more than just something to listen to, it is uplifting, encouraging and inspiring. It offers a positive, wholesome message, so lacking in most radio broadcasts these days. Thank you for the opportunity to offer my comments on this proposed change.
